Richard-

I tried calling you around 1:20 but you weren't there - I thought I'd give you a quick email as I'm leaving work around 2 and wasn't sure if you'd be able to get back in touch with me by then. As of now, I do have a case scheduled in Springfield District court on Tuesday, Jan. 5th. It is the third time the trial has been scheduled, but has been continued the previous times. I've called ADA Ingrid Frau to see what the status is on that case, but all I got was her voice mail - I'm going to email her when I'm done writing to you. I'll keep you informed as I know more.

Richard-

Anything new in the [REDACTED] case? Do you know if you are going to need me Pittsfield yet, as I know know ADA Anne Yereniuk thinks that her case in Holyoke will be a go? Thanks.

[REDACTED] was arrested on 12/23 for drug dealing and had his bail revoked on our case, he should be pleading so I'll reach out to his attorney and see what's up, I'll keep you posted

Sonja,

[REDACTED] is held so that will be a first priority trial on 1/4/10. The defense attorney is a little flighty to say the least so we'll see but he doesn't want to plea to my recommendation. For me, you're still on call.

Thanks,
anne

Hi Anne and Richard-

I know that it is still a week away, but I am just inquiring about the cases (listed below) scheduled for Jan. 4, 2010, to see if anything has changed that would impact the need for me to testify (i.e. a plea, stipulation, etc.) as it will be impossible for me to be in Pittsfield and Holyoke at the same time. Thank you.

-Sonja
